INSTALLATION INSTRUCTIONS

This Universal Transformer can be used for all 6300 Cascade lights. This universal kit includes the transformer along with all terminals and connections needed to wire this universal transformer to the 6300 Cascade lights as described below. This universal kit replaces the three HCG/RPI Part #'s ADT132, ADT133, and ADT134 previously offered and is now in one convenient universal transformer kit to fit all.

ADT132 UNIVERSAL TRANSFORMER
